Thanksgiving Food Baskets

Provide a family or several families with Thanksgiving dinner by putting together a Thanksgiving Food Basket. Fill a basket with non-perishable Thanksgiving food and provide a grocery store gift certificate for the purchase of a turkey. A certificate of \$15 to \$20 should cover the cost of the turkey. We do not have access to refrigerated storage and are unable to accept turkeys. Please stock each basket to feed at least four people.

- ☐ Check box to sign up. How many baskets will you contribute? _____

DELIVERY DATE: November 23rd/8am-12pm

Gifts for Specific Children

Go shopping with a particular child or children in mind. You provide us with the number of children you wish to buy gifts for, and we provide you with the name, age, gender, clothing and shoe sizes and suggested gifts for each child. We encourage donors to purchase 3 gifts per child and to sponsor a minimum of 20 children. Gifts must be UNWRAPPED and delivered to CFSA.

- ☐ Check box to sign up. How many children (3 gifts per child) will you sponsor? _____

DELIVERY DATES: December 6th & 7th/8am-4pm

General Gift Donations

You or your company may wish to make a general donation of toys for children. This option is similar to the "Toys for Tots" model. Simply go shopping and purchase gifts that you think children would enjoy receiving. Please estimate the number of toys you anticipate collecting. Gifts must be UNWRAPPED and delivered to CFSA

- ☐ Check box to sign up. How many gifts will you donate? _____

DELIVERY DATES: December 13th & 14th/8am-4pm

Family Sponsorship

If you are interested in more personal interaction with an entire family for Thanksgiving and/or the December holidays, Family Sponsorship is the way to go. You tell us how many and what kinds of families you are interested in sponsoring (i.e., number or age of children, grandmother caregiver, single parent etc.). Once you sign a confidentiality form and the sponsored family signs consent to release their contact information, you will contact the family directly. Instead of delivering your donations to CFSA, you work directly with the family and deliver donations directly to them. Family sponsors generally provide both gifts and assistance with holiday meal planning.

- ☐ Check box to sign up. How many families will you sponsor? _____

DELIVERY DATE: Determined by donor

Monetary Donations

All checks must be made payable to the DC Treasurer. Write in the memo section 2004 Holiday Donation Drive.
